

Joe Pettit is not just a speaker - he's a catalyst for transformation. With a remarkable leadership career spanning over two decades, Joe has become a distinguished figure in leadership development and emotional intelligence. He's the author of the acclaimed book, "Seeds to Success," which has touched the lives of thousands with its powerful insights.

Joe's journey to becoming a sought-after keynote speaker and the founder of [New Leaf Leadership](#) was paved with purpose. With more than 20 years of hands-on leadership experience, including over seven years as a school nutrition administrator, he understands leadership in its raw, practical form. At the helm of a team of 100, Joe crafted a leadership development program from the ground up. His innovative approach led to remarkable results, including increased revenue, reduced turnover, and the nurturing of a robust leadership pipeline.

What sets Joe apart is his commitment to real-world application over mere theory. His sessions are not passive lectures, they're dynamic and activity-based experiences that resonate with his audience. Joe's audiences walk away with tangible takeaways that can be immediately implemented in their professional and personal lives.

One testament to the power of Joe's work is a director who credited his emotional intelligence program with nearly eliminating employee referrals. Team members armed with Joe's tools effectively managed conflicts and found solutions, resulting in increased productivity and a harmonious workplace.

Joe Pettit's mission is clear: to empower leaders with the skills, knowledge, and emotional intelligence needed to thrive in today's complex world. With a track record of impacting over 10,000 leaders in the past four years, Joe is a driving force for positive change.
